Experience More of the Great Land

An adventure of a lifetime begins as we journey to Alaska, offering scenic wonders, wildlife, history and culture. Holland America Line has been bringing visitors to this great land since 1947 – twelve years before it became a state. And we don't just visit; we bring the experience on board. We will be featuring a number of things to make your Alaskan experience one to remember. In Glacier Bay, a National Park Ranger and Yakutat Tlingit Interpreter Totem Tribe member will share the area's geology, culture and history. You will even have the opportunity to learn how to prepare Alaskan Seafood in our Culinary Arts Center show kitchen as well as sample some great Alaskan favorites at our Alaskan Salmon Bake. On TV, you'll find a selection of movies and documentaries showcasing the 49th state, and of course, there are dozens of shore excursions to please nature lovers, history buffs, thrill seekers, shoppers and prospectors.

MANDATORY PASSENGER SAFETY BRIEFING

This mandatory exercise for all guests will be held at 4:15pm on Lower Promenade Deck, 3. Please take the time to watch a safety video being shown on channel 26 of your stateroom television. All services are suspended during the drill.
