DRESS: FORMAL

Captain Fred Eversen

As a youngster our Captain sailed with his father, who was a Captain on cargo ships. It was at this time when excitement flowed through his veins he knew he was destined for the sea. His dream came true when he entered the nautical academy in Rotterdam. He has been with Holland America since 1980. Starting as an apprentice officer onboard the ss "Rotterdam" he worked his way through the ranks to his present position as Captain. The Captain carries the full responsibility for all aspects of the ship's operations. Captain Fred Eversen considers his support to the managers on board a top priority. In addition, he strives to maintain the professional conduct for which Holland America Line is world-renowned, and gives passengers and crew alike the utmost in safety and comfort. This does keep him quite busy however, he does find some time for his favorite pastimes that include riding the country side on one of his motorcycles, computers, playing golf and last but certainly not least, spending time at his house in Delray Beach Florida.
