KODIAK, ALASKA | WEDNESDAY, MAY 26, 2010 | ALL ABOARD 12:30PM

DRESS: SMART CASUAL WEATHER: CHANCE OF SHOWERS 54F/12C

## Welcome to Kodiak, Alaska

Russian explorers discovered Kodiak Island in 1763, and Kodiak served as Alaska's first capital until 1804, when the government was moved to Sitka. The Kodiak archipelago has been home to native cultures for over 7000 years. In their language, "Kadiak" means island. Their descendants still occupy the island and are considered Alutiiq, a term used to describe both their language and culture. Sitting in the northwestern Gulf of Alaska, Kodiak has been subject to several natural disasters. In 1912 a volcanic eruption on the nearby Alaska Peninsula covered the town site in knee-deep drifts of ash and pumice. The 1964 earthquake and resulting tsunami destroyed the island's large fishing fleet and smashed Kodiak's low-lying downtown area. Today, Kodiak is king to commercial fishing.

### FROM THE NAVIGATOR

We leave Cook Inlet behind us, passing between Barren and Chugach Island once again at Kennedy Entrance. Our route takes us to the south past Marriot Island and toward Chiniak Bay where the Port of Kodiak is located on Kodiak Island. The water in the vicinity of this harbour is very shallow and so our approach will be slow and cautious. Kodiak is one of the principal and oldest towns of Alaska and the home port to a large and varied fishing fleet.

Tonight in the

## QUEEN'S LOUNGE

# Today's Movie: Invictus

Wajang Theater, 4

Drama, PG-13, 2 hours 13 minutes

Showing: 6:00pm, 8:30pm & 11:00pm

The inspiring true story of how Nelson Mandela joined forces with the captain of South Africa's rugby team to help unite the country. Believing he can bring his racially and economically divided country together through the universal language of sport, Mandela rallies his underdog team as they make an unlikely run to the 1995 World Cup Championship match.

Starring: Morgan Freeman, Matt Damon, Scott Eastwood
